"Thank you for allowing public comment on **Project 3018093** at **9666 51st Ave S**. With at **least 50 requests to PRC@seattle.gov**, please hold a public meeting to review the environmental and landuse issues of the proposed clear-cutting of a large wooded lot bordering Kubota Gardens."

This project is yet another reason why Seattle needs a stronger tree ordinance, and I urge you to take special consideration on this environmentally critical area during development.
